

MARK TREAT

Carpet/Fabric Spot & Stain Remover *Removedor De Manchas Para Telas Y Alfombras*

A new kind of spotter with a powerful citrus solvent which easily removes stubborn stains safely from all fabrics. Penetrates, emulsifies and lifts water and oil based stains, ink, coffee, tar, protein and other food soils.

Biodegradable and environmentally safe.

Excellent for use as a spotter and/or pre-spray on rugs and carpets. Also, an ideal laundry spotter.

RECOMMENDED USES:

- Spotter
- Pre-Spray
- Booster

BENEFITS:

- Fast Acting
- Versatile
- Cleans/Deodorizes
- Dissolves Dirts/Oils

SPECIAL INSTRUCTIONS:

See sales representative for specific carpet handling instructions.

DIRECTIONS FOR USE:

CARPET SPOTTING:

Dilute 1:1 up to 1:4 with water, depending upon nature of spot/stain. Liberally apply solution to spot and allow to sit 1-2 minutes. Agitate fiber with scraper working from the outer edge towards the center of the spot. Blot with clean towel. Repeat as needed. Rinse area with clear water.

CARPET PRE-SPRAY:

Dilute 1:4 up to 1:10 with water. Spray traffic lanes, spots or entire area to be cleaned. Work into spots with carpet rake. Shampoo or extract as usual.
