SPECIAL INSTRUCTIONS:

BEFORE USING ANY SPOTTER OR SHAMPOO

test a small inconspicuous area for dye stability and/or fabric deterioration. Read carefully all directions and warnings on each container. For more information consult your local carpet care supplier.

DIRECTIONS FOR USE:

MARK-AWAY May be used straight, or mixed half and half with water. Apply directly to stained area and allow it to penetrate for a few minutes. Work the solution into the stain with a dull knife or scraper. Blot with white toweling or wet vacuum. Repeat procedure if stain is not completely removed.

MARK-AWAY may also be used to boost the cleaning power of shampoo or emulsifier. Add 8 to 16 ounces per gallon of water and prespray heavily soiled areas.

NOTE: Before using any spotter, test a small inconspicuous area for dye stability.
