

UNBELIEVABLE

Mop-On Finish Restorer

Restorador De Capa Que Se Pone Con Trapeador

This fantastic new spray buff compound has been specifically formulated for super effective cleaning and maintenance of waxed floors.

It can be used on linoleum, vinyl, vinyl asbestos, sealed terrazzo and sealed stone surfaces.

Maintenance is less costly and simplified wherever this product is used. It eliminates the need for costly stripping and rewaxing. It is excellent for areas of high traffic where the spray buff allows for faster application and maintenance.

RECOMMENDED USES:

- Low or High Speed Buffing Programs
- One Pass or Two Pass System
- Swing Type, Electric, Battery or Propane Buffing Machines

BENEFITS:

- Cleans and Shines in One Pass
- Removes Heal Marks
- Repairs Scratches
- Prolongs Life of Finishes
- Slip Resistant

SPECIAL INSTRUCTIONS:

- Do not use on unsealed asphalt, wood or cork floors. Should be diluted 1:1 with water for best results.

PROTECT FROM FREEZING

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE:

1. Dust mop floor to remove loose dirt and abrasives.
2. a. Mop On: Mix 1 part concentrate with 4 to 6 parts water. Mop floor and allow to dry.
b. Spray Buff: Mix 1 part concentrate with 1 to 2 parts water. Spray light mist ahead of machine.
c. Auto Scrubber: Mix 1 part concentrate with 8 to 10 parts water.
3. Buff with High Speed Machine: This polymer system will not build up or discolor. Floors can be recoated over this system without removing restorer.

**NOT FOR USE ON ASPHALT OR
UNSEALED WOOD FLOORS**

KEEP FROM FREEZING

**DO NOT USE NEAR HEAT,
SPARK, OR FLAME.**
