

# PEPCO 315

## 15% Pure Coconut Oil Soap *Jabon De Aciete Olor A Coco*

This product is a sparkling clear, neutral concentrated liquid hand soap made from refined and bleached coconut oil. The manufacturing of this soap with pure coconut oil creates natural glycerine adding to its mildness and effectiveness. It is excellent for use in schools, offices and factories.

This soap contains no free alkali or irritating matter. Skin is left soft and smooth. Because of its natural mildness, repeated use of this soap will not lead to dermatitis or other skin disorders.

In use this product generates a rich, thorough cleansing lather. It lifts and removes grease and dirt from hard-to-reach areas, such as crevices around knuckles and under fingernails.

This liquid is a concentrate and may be used straight or diluted. This makes it very economical to use.

This soap does not clog dispensers when used as directed. It stays free flowing and fresh in the dispenser tank for immediate use.

This fine product may also be used as a hair shampoo leaving hair silky smooth and manageable.

### **RECOMMENDED USES:**

- Schools
- Offices
- Factories

### **BENEFITS:**

- Made from the finest oils available
- Contains no free alkali
- Mild and very easy on the skin
- Ready-To-Use
- Economical to use in dispensers

### **DIRECTIONS FOR USE:**

1. Wet hands with warm water first.
2. Dispense **PEPCO 315** into hands.
3. Lather well beyond wrists.
4. Work all surfaces thoroughly including wrists, palms, back of hands, fingers and under fingernails. Rub hands together for at least 15-20 seconds.
5. Thoroughly rinse with clean, warm water-be sure not to touch sides of sink.
6. Dry hands completely-use towel to turn off water and protect hands from re-soiling.
