

WHITE LOTION

Hair and Body Soap *Jabon Para Pelo y Cuerpo*

An opulent, fragrant hand cleaner that looks, feels and conditions like lotion. This pearlized liquid contains premium quality, mild synthetic detergents and rich soothing emollients. It is formulated to penetrate deep into skin pores, to dissolve every trace of soil.

All ingredients are super refined and carefully neutralized to assure mildness. Light textured moisturizers and softening emollients replenish natural skin oils. The thick lather rinses easily and completely so skin stays healthy even after repeated washings.

This pearly white lotion has the fragrant "bouquet" of exotic tropical fruits and flowers. A pleasant, light, lingering scent.
