

HYDRO-CLEAN

Toilet Bowl Cleaner

Limpiador Para Tazas De Baños

Toilet Bowl Cleaning and Deodorizing: Flush toilet to wet surfaces and remove heavy soil prior to using bowl mop. Apply 2-4 oz. of **HYDRO-CLEAN** full strength to bowl mop, swab bowl including the flush ring, which will remove rust and stains. Allow cleaner to stay in contact with desired cleaning surface for three minutes. Rinse bowl by flushing. Daily use will control odor-causing/slime-forming debris.

For Cleaning and Deodorizing Urinals: Flush urinal to wet surfaces and remove heavy soil prior to using bowl mop. Apply **HYDRO-CLEAN** full strength to swab and rub away discolorations and stains. Pour one or two ounces into empty urinal, swab all surfaces thoroughly and allow to stand for three minutes daily to control odor-causing/slime-forming debris.

This product is recommended for use in Industrial, Commercial and Institutional Health Care Facilities.

RECOMMENDED USES:

cleans, descales, defilms and deodorizes toilet bowls, urinals and other porcelain surfaces. It can also be diluted for effective cleaning of shower stalls, drinking fountains, bathtubs, wash basins, swimming pools, etc.

BENEFITS:

- CLEANS
- DESCALES
- DEODORIZES

SPECIAL INSTRUCTIONS:

Follow label directions

**KEEP THIS AND ALL CHEMICALS
OUT OF REACH OF CHILDREN**
