RECOMMENDED USES:

For Daily Cleaning of:

- Bathtubs
- Shower stall
- Toilet bowl cleaning and urinals
- For daily cleaning of porcelain tile
- Wash basins
- Drinking fountains

BENEFITS:

- Lengthens life of bathroom fixtures
- Removes scale, rust and other discolorations
- Harmless to porcelain, tile and metal surfaces
- Fragrant scent lingers after cleaning

SPECIAL INSTRUCTIONS:

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep container closed when not in use.

CONTAINER DISPOSAL—Plastic Containers:

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

DIRECTIONS FOR USE:

FOR DAILY CLEANING OF BATHTUBS, WASH BASINS, SHOWER STALLS, DRINKING FOUNTAINS, ETC.: Dilute cleaner with 5 parts tap water. Rinse thoroughly with water.

FOR DAILY CLEANING OF STAINLESS STEEL EQUIPMENT SUCH AS COUNTER TOPS, REFRIGERATORS, ETC.: Dilute with 3 parts of tap water. Rinse with water after cleaning. Follow with a dry cloth.

FOR DAILY CLEANING OF TILE AND PORCELAIN: Dilute cleaner with 5 parts tap water. After cleaning, rinse with water or go over with wet sponge or cloth.

TOILET BOWL CLEANING AND DEODORIZING: To remove calcium and rust incrustations, discolorations and other deposits, flush toilet to wet surfaces and remove heavy soil prior to using swab. Remove residual bowl water prior to application of this product. Apply 2-4 oz. of cleaner full strength to swab, swab bowl including flush ring which will remove rust and stains. Allow cleaner to stay in contact with desired cleaning surface for three minutes. Rinse bowl by flushing. Daily use will control odor-causing, lime-forming debris on the recommended inanimate surfaces.

FOR CLEANING AND DEODORIZING URINALS— Flush urinal to wet surfaces and remove heavy soil prior to using swab. Apply cleaner full strength to swab and rub away discoloration and stains. Pour one or two ounces into empty urinal, swab all surfaces thoroughly and allow to stand three minutes daily to control odor-causing/slime-forming debris.

This product is recommended for use in Industrial, Commercial and Institutional (non-medical) Establishments.
