

SOLID GREEN MAGIC

Floor and General Purpose Cleaner

Limpiador Para Pisos Y Uso General

Food preparation is messy, and kitchen floors need constant attention. Unattended floors are not only unsanitary, but create hazardous traffic zones. **SOLID GREEN MAGIC** is a powerful synthetic detergent that can cut through the soils most frequently found in food handling areas, such as grease, protein and sticky carbohydrates.

This new solid super concentrated cleaner has unique penetrating action that emulsifies soils and holds them in suspension until wiped up. Rinses freely leaving the surface clean and film-free.

Very economical! Does not leave soap scum or hard water film.

Can be used to clean all types of flooring as well as other water safe surfaces.
